Jelena Pancevski

Student

Third year student interested in improving their software development skills

✉ jelenapancevski@yahoo.com

📱 0612289203

📍 Belgrade, New Belgrade, Serbia

SKILLS

Java   C++   C

Eclipse   Visual Studio

MS Office package

SQL

Cisco Packet Tracer

LANGUAGES

English
●●●●○

German
●○○○○

French
●○○○○

INTERESTS

photography

playing the piano

going to music festivals

exploring different cultures and traditions

EDUCATION

Software engineering
University of Belgrade, School of Electrical Engineering
10/2018 - Present

WORK EXPERIENCE

Student
No prior working experience

PERSONAL PROJECTS

Photo Editor- assignment for the Object oriented programming course
 (04/2020 - 04/2020)
- implementation language: C++
- Software provides working with multiple layers, loading and exporting BMP and PAM formatted images as well as saving a project in the form of an XML document, provides basic arithmeticoperations as well as predefined functions (Inversion, Black and White, Grey scale, Transparency) for image editing and supports working with selections.

GUI for Photo Editor- assignment for the Object oriented programming course
 (05/2020 - 05/2020)
- implementation language : Java
- implementation of a graphical user interface for a software that supports the same operations for picture editing as the project Photo Editor. Operation execution is done by connecting Java project with C++ project calling C++ executable code.

Implementation of an operating system- assignment for the Operating systems course
 (07/2020 - 08/2020)
- implementation language : C++
- Software implements fundamental elements of kernel such as implementation of threads supporting time sharing, synchronous and asynchronous context switching, implements counting semaphores with ability to suspend threads for a specific period of time as well as event and signal implementation.

PERSONAL TRAITS AND SKILLS

perfectionist

reliable

flexible

detail oriented

calm

determined

friendly

drivers licence - B category
